Dear FFICM Supporter,

Thank you for considering giving stock or other equity instruments to help support Firm Foundation In Christ Ministries! We want to make this process as seamless and easy as possible. We are partnering with the National Christian Foundation (NCF [www.ncfgiving.com](http://www.ncfgiving.com)) to assist you in this process. NCF is an organization that exists to help donors contribute in various ways to nonprofit organizations like FFICM through Donor Advised Funds. An NCF giving fund has been established for this purpose, and there is no transaction fee for this service.

Once the stock is transferred to The Firm Foundation In Christ Ministries Fund at NCF, it is sold the next business day at market rate and the cash is available to FFICM immediately. Since this qualifies as a charitable deduction, you will be provided a receipt from NCF for tax purposes.

Please work with your broker or financial service advisor and fill out the form. All of this can be done electronically except for the signature. Once you complete page 3 of this document, print out a copy, sign it, and follow the instructions found at the bottom of page 2 regarding options to send it to NCF. When you email the form to your broker/financial advisor, please cc Bev Beppler at [bbeppler@ncfgiving.com](mailto:bbeppler@ncfgiving.com) so that she is aware that the gift is coming.

Again, thank you for your support!

Blessings,

David M. Moore
