

One Moore Prayer Letter

March
2022

Prayer requests, praises and updates from David Moore and family,
serving with FFICM as Director of Operations.

*Prayer is powerful! Thank you for your partnership with us in ministry
through prayer. Here are some more prayer requests and praises!*

Praise/Pray: Many of the FFICM team are together right now in Africa! See enclosed ministry schedule for this 2 month ministry trip we are calling “Spring Training” and join us in seeing God impact thousands of lives across 4 different countries in Africa!

Praise/pray: I have only one month left until graduation for my MA in Nonprofit Management! Thank you for your prayers thus far and please continue to pray as I complete the assignments for this last class on Action Research. All of these classes in this program over the past two years have been directly helpful for my role as Director of Operations with FFICM! Thank you for your prayers and for those who gave specifically to the FFICM Staff Education Fund to make this possible! We are almost to the finish line!

Praise/pray: FFICM has just finished translating and adapting our materials into three new languages: Swahili, French and Somali! We praise God for new open doors and opportunities for ministry. Pray that the people who use these new believer follow-up materials would be able to help many new believers to start their relationship with God having a firm foundation as they understand the basics of following Jesus.

Praise/pray: The National director for the work of FFICM in Nigeria (Peter) and Ethiopia (Eskinder) are in the process of applying for visas to the US for this summer. They would be coming to the US both for the next class in the Doctorate in Global Evangelism program they are part of as well as to visit with as many of you as possible. They want to share with you first hand how they have seen God working as a result of your prayers and financial support of FFICM! We have been running into roadblocks in getting them visas. Pray that God would give wisdom and that their visa applications would be approved quickly!

Pray: FFICM is looking for a bookkeeper! (3-5 hour per week)
Pray that God would lead us to the right person in his timing.

One Moore Prayer Letter

March
2022

Prayer requests, praises and updates from David Moore and family,
serving with FFICM as Director of Operations.

*Prayer is powerful! Thank you for your partnership with us in ministry
through prayer. Here are some more prayer requests and praises!*

Enclosed is FFICM's March 2022 prayer letter. Please continue to lift the enclosed prayer requests and praises up to the Lord. If you want more fuel for your prayers, you can sign up for the FFICM weekly prayer email at fficm.org/newsletter or you can go to fficm.org/blog where we post those weekly praise and prayer updates.

Family Updates

Denise, has just 6 weeks left until the due date on May 16 for our new baby boy! Pray for wisdom, stamina and health.

Hannah is coming down the home stretch of her Junior year of high school. Her 17th birthday is the same day (May 16) that we are expecting the baby to arrive. Pray for wisdom as she figures out summer plans and begins to think about college.

Andrew has had a rough start to high school this year and his missed much of the school year. He has been in and out of drug rehab and has had some run-ins with the law. Pray for wisdom for us as his parents and that he would learn to make wise choices himself. Praise God for the creative artistic skills that we have seen growing in him!

Asher has qualified for the state chess tournament again this year and will soon be starting baseball practice. His relationship with God has been blossoming and he is excited about not being the youngest kid for long.

David: I am coming down the home stretch on my MA program! On the weekends I have been working on trying to add a second bathroom before the baby arrives. Pray for wisdom as I try to balance my time!

Thank you for your partnership as we train people how to follow-up new Christians! We couldn't do what we are doing without your prayers and financial partnership!

David Moore

I praise God for the recent opportunities I have had to share about FFICM at several churches!
