

One Moore Prayer Letter

June
2022

Prayer requests, praises and updates from David Moore and family,
serving with FFICM as Director of Operations.

Announcing one more Moore!

Daniel Augustine Zebulun Moore

Length: 21 inches

Born: 11:40pm on May 14, 2022

Weight: 6 lb. 13 oz.

Praise/Pray: Thank you for your prayers! Denise and baby Daniel are healthy and doing well. We praise God for this new gift in our lives! We are learning new schedules and routines while remembering how to take care of a baby. It has been over 12 years since Asher was born...

Praise: Thank you for your support! I finished my Master of Arts in Nonprofit Management and graduated on April 29th, just two weeks before the baby was born. It has been a busy past two years working full-time and doing everything for my Master's degree and juggling all the other things in life. I am so very grateful for the opportunity that God gave me to gain new knowledge and skills. Pray for wisdom as I try to catch up on many things that have been pushed aside at home and at the office over the past two years while putting into practice all the new things I have learned.

Pray/Praise: FFICM is growing and transitioning in many ways. We are looking for people willing to raise their own financial support and be part of the FFICM team as **International Trainers**, to help in training others around the world how to help new believers. We are also looking to hire a part-time **Bookkeeper** to work 5-10 hours per week. Information about these and other involvement opportunities at fficm.org/join

Pray: The teams in Nigeria and Ethiopia are constantly doing week-long trainings with people in churches across their countries in how to do new believer follow-up. The demand for the training constant and the impact is huge every time!

Enclosed is a special letter from FFICM about some of the exciting things we have planned for this Fall. Please read, and prayerfully consider how you can be part of making these trainings possible financially, in addition to your current financial support for me personally. If you want more fuel for your prayers, you can sign up for the FFICM weekly prayer email at fficm.org/newsletter or you can go to fficm.org/blog where we post those weekly praise and prayer updates.

Family Updates

Denise is relearning how to do everything baby and is helping get things ready for her dad's 80th birthday weekend celebration at the end of June. Many family are coming in from across the country and it is turning into a big family reunion.

Hannah recently had a car accident, but did not get injured. Unfortunately both her car and the other person's car were totaled, so she is looking for a replacement car while launching into a busy summer of work and play.

Andrew is back in juvenile detention again. We are praying for a spot to open up for him in a treatment center. Continue to also pray for wisdom for us as his parents and that he would learn to make wise choices himself.

Asher is in the middle of a busy spring baseball season. This year he has had the opportunity to do some pitching for his team and he is enjoying learning new skills!

David: On the weekends I have been working on trying to add a second bathroom to our house before the baby arrives. The baby is here now, and the bathroom isn't yet finished, but we have made good progress. We are almost ready for tile... Pray for wisdom as I try to balance my time!

Thank you for your partnership as we train people how to follow-up new Christians! We couldn't do what we are doing without your prayers and financial partnership!
